17th November 2019

*Thirty-Third Sunday in Ordinary Time*

## Befriending the Stranger

In the midst of all the violence and corruption of the world God invites us today to create new places of belonging, places of sharing, of peace and kindness, places where no-one needs to defend themselves, places where each one is loved and accepted with one's own fragility, abilities and disabilities. This is my vision for our churches: that they become places of belonging, places of sharing. (Jean Vanier)
